

Is Your Child Current on Their Immunizations?

Getting routine vaccinations is one of the best ways to protect your family. Call your doctor or provider to make a plan ensuring your children are protected this holiday season. If you're unsure about where your child can be vaccinated, the following resources are available:

- Call 211 or visit 211.org
- Help Me Grow WA Hotline 1-800-322-2588
- ParentHelp123.org

You can find your child's immunization status by visiting <https://myirmobile.com/>.

Have a safe and happy holiday season from Grays Harbor County Public Health!
