

Flier Approval Requirements

Nonprofit organizations may partner with McCleary School District to distribute informational materials about non-school sponsored activities to families. The District Office must approve all informational materials before they are distributed. For approval, nonprofit organizations may submit a copy of the informational material to the District Office.

Nonprofit organizations must also furnish legal evidence of nonprofit status.

Criteria

The District or school will not distribute materials that:

- A. Are obscene, lewd or vulgar;
- B. Are libelous;
- C. Contain language that is intimidating, demeaning, harassing or threatening on the basis or race, religion, color, national origin or ancestry, sex, gender identity, sexual orientation, age, disability, marital or veteran status, including, but not limited to, racial, sexual, or ethnic slurs;
- D. Promote commercial enterprises;
- E. Promote the violation of existing laws, regulation or ordinances, or official school policy, rules or regulations; or
- F. Proselytize or disparage religious beliefs.

Informational Materials

- Approved materials will be made available electronically.
- Printed materials will not be sent home with students. However, copies (up to 25) may be sent or brought to the School Office. The materials may then be made available in a central location designated by the principal. It is up to the nonprofit organization to provide all copies of the materials.
- Materials must contain the statement:
This activity is not sponsored by the McCleary School District which assumes no responsibility for the content of this communication or the conduct or safety of the activity advertised. In consideration of the distribution of these materials, McCleary School District shall be held harmless from any cause of action, claim or petition filed in any court or administrative tribunal arising out of the distribution of these materials, including all costs, attorney's fees, and judgments or awards.
